

Course Title: Countdown to Retirement  
Target Audience: Employees within One Year of Retirement  
Length: 3 hours

This course is designed to provide the employee who is within 1 year of retirement, a review of Federal Benefits options. The class focuses on possible last minute changes in laws affecting Federal Benefits, retirement decisions and current questions. Topics include:

- How to Apply for Retirement
- Best Date to Retire
- TSP Withdrawal Options
- FEGLI and FEHB after Retirement
- Overview of Medicare Parts A & B
- Social Security
- Recent Law Changes
- Forms and Resources

This is a useful overview and update for any employee who has attended a comprehensive retirement planning class.
